Welcome to cyberCONNECTIONS

Welcome to the October 2005 edition of cyberCONNECTIONS, the newsletter exclusively for cyberM·I·N·D's dial-up customers!

The leaves are beginning to change color, there's a chill in the air, and apples are ripe for the picking; there's no doubt about it, fall has arrived!

To help put you in the autumnal spirit, this issue of cyberCONNECTIONS is devoted to all things fall. Halloween, football games, and of course fun

Websites for you to check out on those rainy days are just a few of the features in this month's edition.

So, kick back with a mug of hot cider and enjoy!

cyberCONNECTIONS is our way of keeping you updated on new products and services at cyberM·I·N·D, as well as steering you to some fun and informative web sites along the way. Every facet of this newsletter is for your enjoyment. Please feel free to contact us with any feedback regarding

cyberCONNECTIONS or cyberM·I·N·D. You can e-mail us at: newsletter@cybermind.biz

Thank you again for all of your support and enjoy cyberCONNECTIONS!

Halloween Madness!

- www.buycostumes.com
Not sure what to be for Halloween this year? Get tons of ideas for yourself, your kids, even your pets at buycostumes.com. Search millions of

costumes, wigs, even shoes to make this year's costume the best ever. Order online and have all you Halloween supplies delivered right to your door!

- www.jack-o-lantern.com
Find tips, tricks, patterns, and ideas for carving your Halloween pumpkin. Learn the history of the jack-o-lantern, and even get a recipe for roasting all those leftover seeds!

- www.halloween-safety.com
Will your little ones be out trick-or-treating? Will you have neighborhood trick-or-treaters at your door? Check out this site for great ideas on how to make Halloween a safe and fun time for everyone! The site includes advice on keeping kids, adults, homeowners, and even pets safe on All Hollow's Eve.

October's Featured Site: WMU Online

GO BRONCOS!

Football season is in full swing and hockey season is on its way; if you're planning to attend any WMU Bronco games, you're going to need some 'Western wear' for game day!

cyberM·I·N·D· developed and launched the WMU Online site, which can be found at www.wmuonline.com

WMU Online carries all the Western Michigan University merchandise a true Bronco needs. From hoodies to gym shorts, even stadium blankets and diploma frames

WMU online carries

everything you need to show your Bronco pride.

Students, alumni, faculty, staff, and anyone else who supports the Broncos and Western Michigan University will be sure to love this site.

The Bronco Hockey home opener is October 15th, against Robert Morris College. Homecoming festivities take place over the weekend of October 29th. The football team faces Kent State, and the hockey team will go up against Ohio State.

Fun Sites

- www.cyberfireworks.com

Make your own virtual fireworks display.

- www.oxymoronlist.com

The internet's longest list of oxymorons (contradictory words used together).

- www.snopes.com

Get the real scoop on popular urban legends and internet forwards.

- www.funology.com

A kid's site with lots of cool stuff to do, including arts and crafts ideas, and boredom busters.

- www.greatfacts.com

Huge list of trivia and statistics.

cyberM·I·N·D· Hosts Art Hop; Photography Exhibition

cyberM·I·N·D· is the venue of local artist, Ione Condit's, new photography exhibition. The exhibition will be on display at the cyberM·I·N·D· office from October 3rd through the middle of December.

There will be an opening reception held on October 7th from 5-8 pm during the October art hop, sponsored by The Arts Council of Greater Kalamazoo.

The exhibition consists of both color, as well as black and white photography. Condit uses many different subjects including models, nature, still life, and architecture.

All of the photos are for sale. We encourage you to stop by and see the show, and maybe even take some of this beautiful local art home with you.

About cyberM·I·N·D·

cyberM·I·N·D· provides above industry standard service and support to our clients. By utilizing state-of-the-art technologies, we deliver on our promise to provide you solutions for the digital age. The concept behind cyberM·I·N·D· is a simple one: *Provide innovative solutions for the digital age.* Our company addresses the

future by providing innovative and complete solutions to businesses, organizations and individuals. cyberM·I·N·D· began business in the autumn of 1996. Founder Timothy M. Butkiewicz had a vision to provide complete information system solutions in a comprehensive, efficient, and effective manner.

Today, cyberM·I·N·D· has grown to provide individuals, businesses, and organizations with a solid computing foundation in which to work.
